

Cupitt's Kitchen Group Dining Info

For Groups larger than 10 adults we offer 2 types of dining in the restaurant -

- **Our Collective Menu** (Recommended) - Shared platters of food which trickle out during the course of a long lunch or dinner. This is chef's selection of 2 entrees, 2 mains, and 2 desserts.
- **Alternate Service** (19 people maximum)- Our chef designs a 3-course menu plated individually and served alternately.

Both of these options are \$80 per person and are served with bread and sides. Special diets can be catered for if advance notice is given. Children under 12 can order from our Children's Menu on the day.

With both options, drinks are priced on consumption.

Please find below our Sample Menu. This will be different to the menu you will receive, but will give you an idea of the style of food etc.

If you would like to make a booking we require a deposit of \$10 per person. Bookings will be made once this deposit payment has been received.
